September 2019

Dear Applicant

Thank you for your interest in our permanent position of Teacher of Music at Hampton College.

Information about Hampton College

Hampton College has now been established for fifteen years and has enjoyed a high degree of success both in terms of public examination results and recognition from Ofsted (four full inspections all *Outstanding or Good*).

The College opened in September 2005 with a roll of just 180 students in Years 7 and 8. In September 2009 we welcomed our first cohort of Sixth Form students and from September 2010 our secondary school was complete with students in all Years from 7-13.

Development of the 'through-school':

In order to meet the unprecedented demand for primary places on the Hampton development, the Local Authority asked Hampton College to open the Primary Phase a year early, in September 2012, on the site of Hampton Hargate Primary School. A brand new state-of-the-art primary school building opened in September 2013, next to the current secondary school's campus. The Primary Phase now serves the full primary age range. We were excited to welcome our first Year 6 students in September 2018. The model for the primary phase's growth, one year at a time, until its completion in 2018, is exactly how the secondary phase was established. We work closely with our Primary colleagues to devise innovative, cross phase learning that teach to a student's stage rather than age. A number of secondary colleagues teach across both phases.

Our current roll is 1,595; there are 999 students in the Secondary Phase, 410 in the Primary Phase and 186 in the Sixth Form.

Academy and MAT status

In September 2014 we became a converter academy and formed our own multi-academy trust. **Hampton Academies Trust** opened its second secondary school, Hampton Gardens in September 2017. This development enables us to provide excellent education for the children and young people of the area, as well as offering our staff unrivalled promotion and professional development opportunities.

Since September 2018 we have operated a Sixth Form across both Hampton College and Hampton Gardens. The close proximity of the two schools has enabled a number of staff to teach and support across both sites. We will also have the ability to deploy staff flexibly across the trust, as we expand.

Our vision is to be a locality based, cross -phase MAT. We intend to grow our MAT in the medium term, and have been successful in our bid to run the primary provision on the new Hampton East development. The Trust's latest new school project, Hampton Lakes Primary School, opened in September 2019 to reception children and is currently located at Hampton College Primary Phase until the new school building is completed in 2020. Hampton Lakes will be located on the new development to the east of the A15, near Teardrop Lake. The name of the trust reflects our local focus and we have no current plans to expand our operations beyond our local area. We are not a corporate MAT (and do not want to be) and neither are we part of a regional/national chain. Our vision is to retain our 'homegrown' status and manage our growth in a sustainable way. We believe that MAT working can be most successful when you concentrate on what you know best, in the community you are invested in.

Hampton College - Secondary Phase

On the Hampton College secondary site, classrooms are airy and light and are all equipped with interactive facilities. The school hall provides an impressive public space, with seating capacity for 400 people; the grounds are attractive and spacious and are utilised well at break and lunchtimes in fine weather.

Conditions have been right for the school to provide a centre of excellence in teaching and learning, with teachers and departments continually reflecting on their practice, in order to improve. Traditionally the core subjects of English, Mathematics and Science have been high performing, which has contributed to the school's successes in recent years, our results have consistently been amongst the best in the city at both GCSE and A Level.

Vision and Values: Since opening the college we have emphasised 2 key themes: 'People' and 'Learning'. We believe that positive working relationships are the key to effective learning, and we work hard to ensure that students and staff feel safe, valued and happy in their work. Please see the college website for more details.

During the school's most recent Ofsted inspection in May 2017, in which Hampton College was judged to be 'Good' a number of very positive features were praised, including:

- An unwavering commitment to establishing an inclusive, welcoming school
- Pupils are keen to learn and appreciate the work their teachers and the opportunities provided to them
- Relationships between adults and pupils are typically positive and pupils' behavior is good
- Parents believe their children to be safe and happy
- Pupils make good progress at Key Stage 4
- Teachers closely match learning activities to the capabilities of the pupils
- The longer the pupils remain in the school, the faster progress they make

Teaching and Learning: All of the teaching staff have agreed on our definition of 'Excellent Teaching', and the statement begins... "At Hampton College we encourage teaching which is innovative, adventurous and experimental." We are proud that the teaching that goes on here is different and teachers are prepared to 'think outside the box' sometimes. OFSTED commented: "The vast majority of lessons are taught to a high quality. Many lessons are extremely imaginative and creative."

Curriculum Plan: Please see college website (Prospectus). Every effort is made to offer a strong extra-curricular programme in sports, the arts and in other areas. There is an enrichment week at the end of the summer term, which includes several foreign and domestic residential trips, day trips and in house activities. We also benefit from staff who give up their time to arrange many curriculum based trips and visits throughout the year.

The School Day: All lessons are one hour, with a 5 minute movement time.

8.30am	Morning Registration/Assembly
8.45am	Period 1
9.50am	Period 2
10.55am	Morning Break
11.15am	Period 3
12.20pm	Period 4
1.25pm	Lunch Break
2.05pm	Period 5 (Afternoon Registration)
3.10pm	End of School

Community: Hampton College makes an important contribution in putting ‘heart and soul’ into Hampton, helping to bring the community together. We are a venue for learning and leisure and we are developing a range of activities and events to meet local need. We also work in partnership with Vivacity, who operate a public library and sports centre on our campus.

The Department

All students have one hour of Music per week in Key Stage 3, taught by two teachers and lessons have a practical emphasis throughout KS3. At KS4/5 students follow the BTEC, RSL Performance path or GCSE and A-level depending on the cohort. During previous years colleagues in the department have also taught for a couple of hours per week in our primary phase.

Extra-curricular Music is ever popular, and concerts and performances are staged throughout the year. Numbers for instrumental lessons are encouraging and growing and the Music department runs a strong orchestra in collaboration with our primary feeder schools among other ensembles: Hampton Voices, Rock Band and Music Tech club. In recent years the department has staged a yearly musical in collaboration with the Drama department. Last year’s production, Annie, was led by A-level students. Previous shows have included: ‘Little Shop of Horrors’, ‘Hairspray’ and ‘The Wizard of Oz’. The department has also enjoyed success at local music festivals, has performed in Wembley arena and taken part in wider community engagements. Pop, Rock and World Music are as popular as the more traditional forms of music making.

The Music department is accommodated in two large classrooms with several nearby practice spaces with excellent resources. The department is also equipped with over 20 apple mac computers equipped with garageband.
