Hampton Academies Trust: Scheme of Delegation

The following table sets out the main MAT functions and identifies roles and responsibilities for each.

- **Accountable:** The people who are accountable for the correct and thorough completion of the task.
- **Responsible:** The people who do the work to achieve the task. They have responsibility for getting the work done or making a recommendation for approval.
- **Consulted:** The people who provide information for the project and with whom there is two-way communication.
- **Informed:** The people kept informed of progress and with whom there is one-way communication.

Develop and review trust wide procurement strategies and efficiency savings programme	C	A	R	C	R			

Example Questions Governing Bodies / Trustees should ask.

1. Have we completed a skills audit which informs the governor specification we use as the basis of governor appointment and interview? Are we as effective as we could be?
2. How well do we understand our roles and responsibilities based on this scheme of delegation?
3. Do we have a professional clerk who provides legal advice and oversees the governing board's induction and development needs?
4. Is the size, composition and committee structure of our governing board conducive to effective working?
5. How do we make use of good practice from across the country?
6. Does our chair show strong and effective leadership?
8. Does the chair carry out an annual review of each governor's contribution to the board's performance?
9. Does the school / Trust have a clear vision and strategic priorities?
10. Have we agreed a strategy with priorities for achieving our vision with key performance indicators against which we can regularly monitor and review the strategy?
11. Are we properly engaged with our school community, the wider school sector and the outside world?
12. How well do we listen to, understand and respond to our pupils, parents and staff?

13. What benefit does the school draw from collaboration with other schools and other sectors, locally and nationally?
14. Do we hold the school leaders to account?
15. How well do we understand the school's performance data (including in-year progress tracking data) so we can properly hold school leaders to account?
16. Do governors regularly visit the school to get to know it and monitor the implementation of the school strategy?
17. How well does our policy review schedule work and how do we ensure compliance?
18. Do we know how effective performance management of all staff is within the school?
19. Are our financial management systems robust so we can ensure best value for money?
20. How much has the school improved over the last three years, and what has the governing board's contribution been to this?
